

The Statue of Liberty is shown from the waist up, holding a large solar panel in her left arm. The background is a clear blue sky. A yellow border frames the top and right sides of the image.

Sunkits®

Welcome to the land of Opportunity

Get into the booming solar market with Sunkits® from SolarWorld, the largest solar PV manufacturer in the USA since 1977.

Sunkits® are custom factory-engineered PV systems that come complete with modules, mounting racks, inverters and engineering drawings that you can get directly from Rexel. SolarWorld even provides marketing support and customized sales proposals.

SolarWorld Sunkits® are the easiest way to get into the solar PV business. Call **1-866-228-8758** or visit your local Rexel branch to sign up for a factory training in your area and find out how to **get 10% off when you install a system on your own home.**
